

Mount Boucherie Estate Winery takes its name from the extinct volcano that is the geologic landmark of West Kelowna. We are proud to farm estate vineyards that are some of the oldest in both the Okanagan and Similkameen Valleys. Our mission is to express this amazing land by crafting distinctive wines that draw on low yields, honest winemaking, and patient aging.

## 2017 PINOT GRIS

### SITE

Our 2017 Pinot Gris was farmed at two separate sites reflecting both the Okanagan and Similkameen Valleys. Our Osoyoos site lends rich topical notes, while the block in South Cawston offers up interesting mineral and spice character.

### NOTES

Fermented dry, this wine features a rich, full bodied palate with spice and stone fruit notes, off set by bright citrus infused acidity. Pair the weight and freshness of this wine with various charcuterie or roasted white meats.
